May 28th, 2010

Greetings from Pekin Main Street!

Thank you for your interest in participating in the Pekin Main Street Downtown Farmer's Market & Artisans which begins on Thursday June 24th in partnership with Pekin Hospital.

We're looking forward to having you a part of our **Main Street Farmers' Market & Artisans**.

Our "Market" mission is to provide a viable open-air marketplace for local farmers and artists, crafters and food merchants enhancing local businesses and bringing a wide variety of local produce, art and entertainment to the Pekin community, with special emphasis on sustainable agriculture, healthy foods, art and crafts.
