Downtown beautification is one of Pekin Main Street's goals for our historic downtown district and 2010 is the year for hanging baskets that will hang on the streetlights downtown. Your sponsorship will purchase & maintain a basket for 3 years. The baskets will hang from late May/early June through Marigold Festival in September. An article will be placed in the Pekin Daily Times & Pekin Main Street website listing your name as a sponsor. Thank you for beautifying our downtown district and partnering with Main Street Design!
